

Business Process Outsourcing Services

Diacron Consultants provides Business Process Outsourcing solutions, improving efficiency, accuracy and performance of your Accounting and Finance Operations, making available a scalable team of professionals to support your individual needs.

We can increase the capacity of non-core key functions such as Accounting, Payroll Management and Tax Compliance, filling many qualified roles, whether through a dedicated team of full-time resources, part-time or temporary staffing solutions, or as manpower provider, selecting, recruiting, training and allocating the right resource to our clients:

- Bookkeeper
- Accountant
- Payroll Specialist
- Accounts Payable and Accounts Receivable
- Chartered Professional Accountant
